Kona Sport Fishing on the Makana Lani

**Exclusive, affordable, private charters
for sportfishing or whale watching.**

Protected by the lee side shelter of two large mountains, Kona is a magical, spiritual place. The Big Island mountains shelter Kona and its leeward sea from the trade winds, making it possible to fish the deep Pacific Ocean year-round in calm waters. Offshore the water depth drops dramatically yielding 6000 ft. depths just a few miles out. The Kona sea can provide you with a world-class sportfishing experience.

Six species of Billfish are found in Hawaii. Although Kona is famous for large sportfish like the Blue Marlin, other species of fish are plentiful. Ahi (Yellowfin Tuna) from 5 lbs. to more than 150 lbs. can be caught. Mahi-Mahi (Dorado), Ono (Wahoo), and Aku (Skipjack Tuna) are common. Kona waters are one of three locations in the world where you can catch Shortbill Spearfish.

We encourage tag and release of all Marlin. Kona's productive fishing grounds are just a short distance from the harbor. There is a Kona fishing experience for everyone!

Blue Marlin run all year. Striped marlin are caught in winter months. The large Yellowfin Tuna can be caught any day of the year, but are more commonly caught in the summer months. Fishermen in Kona waters use a variety of techniques for catching fish. Some light tackle fishing is available. Trolling with lures is the most popular method, but live bait (when available) is popular too.

Also available January through March, you can schedule a private whale watching tour and witness the annual migration of the beautiful Humpback Whales. Schedule a private tour for a minimum of two people, with space available for a maximum of six. This is a two-hour tour. Please give us a call for availability and pricing.

These prices are not per person!

\$288 - 4 Hours

\$336 - 6 Hours

\$384 - 8 Hours

Customized trips will accommodate 1 to 4 persons.

Prices may adjust due to fuel prices. Taxes are not included.

All charters depart from Honokohau Harbor in Kona

Blue Marlin

The Blue Marlin is the ultimate challenge in big game fishing. Kona holds the official all-tackle world record at 1,376 pounds. Kona has also produced more Blue Marlin over 1,000 pounds than any other game fishing destination in the world.

Mahi-Mahi

Mahi-Mahi (Dorado) are caught year-round off the Kona coast. This is one of the most colorful fish in the ocean, displaying bright blue, green, and yellows. They are exciting fish to catch and great to eat. World record is 87 pounds. Average weight in Kona is 20 to 25 pounds.

Ono

Ono (Wahoo) are caught off the Kona coast year-round. The Ono is one of the fastest fish, said to reach speeds up to 60 miles per hour. Ono are fun to catch and great to eat.

Ahi

The Yellowfin Tuna (Ahi) is the Tuna of choice for sportfishermen. Ahi grow to more than 250 pounds. The average Yellowfin caught off the Kona coast is 150 pounds.

Powered by GOD

...and truly a Gift from Heaven

“Come, follow me,” Jesus said, “and I will make you fishers of men.” Mark 1:17

Our Ministry on the Makana Lani

“Our ministry is sharing God’s gift of creation with the underprivileged youth of Hawaii through the medium of the ocean. Providing on-the-water experiences

of fishing and ministry, children are exposed to the magnificence of nature with the sole desire of opening their hearts to the majesty of the sea and it’s undeniable Creator.”

Captain Kenny Fogarty

We are a Christian charter fishing business specializing in fellowship and introducing our customers to the splendor of the Kona sea. Owned and operated by Captain Kenny Fogarty, Makana Lani fishing is an independent guided charter business. Kenny strives to provide you with a unique fishing experience that will refresh your spirit and the soul (in Hawaiian it’s known as ‘Uhane). The Captain has over 45 years of fishing experience, fishing in Kona waters for ten years. Captain Kenny knows what it takes to teach the novice or challenge the veteran angler. Your time on the Makana Lani is sure to bring you a memorable, thrilling experience.
